

K1 Liftout & Hinged Window Screens

www.flydor.co.uk

The K1 system is our most popular rigid window screen, specifically designed for domestic or light commercial use.

Versatile - It can be used as a fixed, hinged (side or top) or liftout screen, or secured with turnbuttons only. Economical and lightweight, it is available in component, kit or fully manufactured form.

Materials - Profiles are a robust extruded aluminium, with aluminium or Standard 18x16 PVC coated fibreglass mesh.

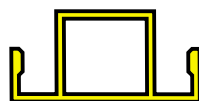

Above: **K1 hinged** fitted to top opener

Colours

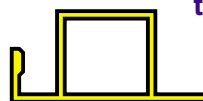

K1 Profile is available in the following colours. As with all components, in place of .x, specify:

- White (standard) .1
- Dark Brown .2
- Aluminium .3

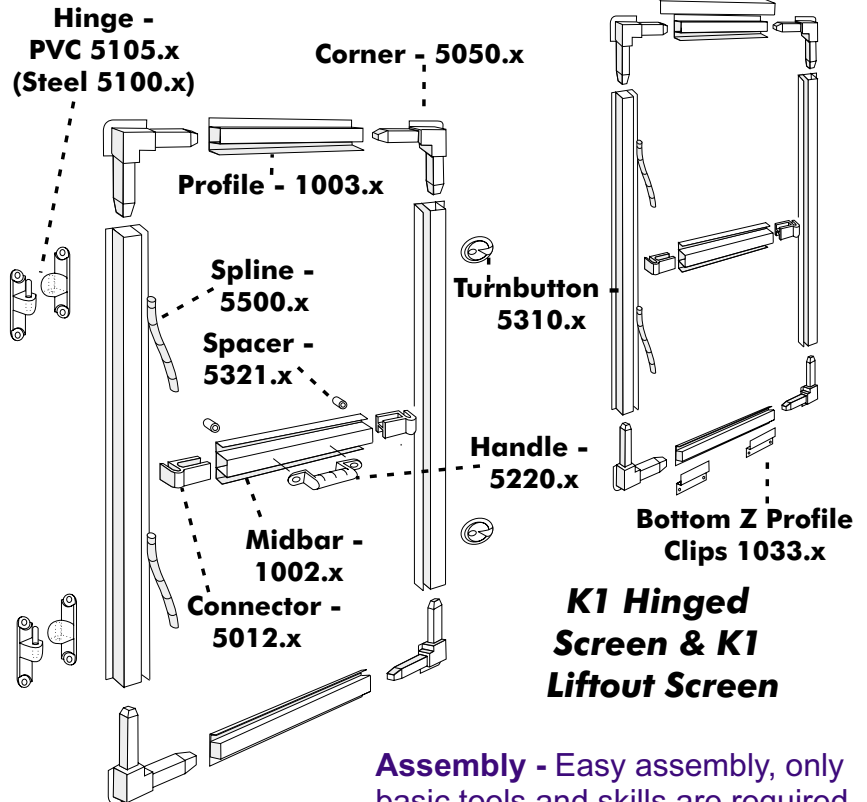

Profile shown actual size.

Mid bar 1002.x

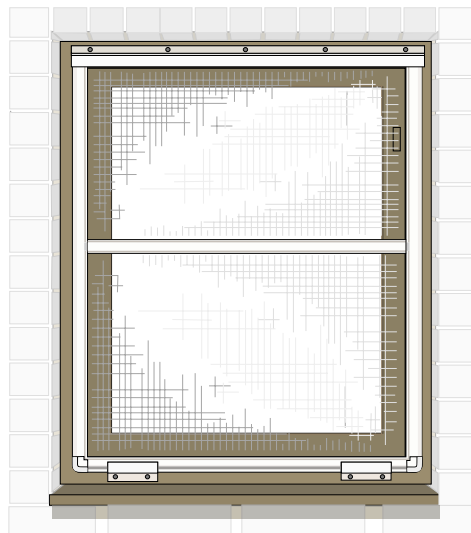

Profile 1003.x

Top Z Profile - 1031.x

K1 Hinged Screen & K1 Liftout Screen
